### Steam

Excellent for sanitizing any type of environment, preventing all allergic diseases by safely eliminating all types of bacteria, mites and molds. Ecological and natural system for excellent cleaning.

### Security

Novaltec steam generators are safe and performing.

Every single component has been designed to guarantee the operator to work in maximum safety.

### Professional

The continuous evolution and research of new technologies and the attention and care of details, lead Novaltec Group to obtain products of the highest quality and reliability.
